The Glenn Raymond School Science Club was established in 1976 by teachers, Larry Hill, Gene Ochs, and Terry Regnier to provide students an opportunity to experience hands-on science and outdoor education. Since that time, over 4000 students have participated in Science Club activities such as canoeing, skiing, caving, geocaching, HAM radio, and model rocketry, just to name a few.

Current Teachers:
Troy J. Simpson (W9KVR),
Ashley O'Brien
